CORNERSTONE RESCUE CLOTHING DONATION BINS PLACED

June 28, 2011 – Rapid City it’s time to clean out your closets! Black Hills Surgical Hospital is pleased to announce the placement of three clothing donation bins to benefit the Cornerstone Rescue Mission. The bright yellow bins are hosted at different locations by Boyd’s Drug Mart (Baken Park), Corner Pantry (2808 Sheridan Lake Rd.), and Don’s Valley Market (747 Timmons Blvd.) and are ready to accept gently used clothing and shoes of any size, color, and style.

“Cornerstone Rescue assists people in our area in need with food, shelter, household items, and school items—this is the least we can do to help the mission in their important work,” said Bill May, CEO Black Hills Surgical Hospital. “We hope these convenient drop-off locations and bins will remind residents to save and donate their old clothes.”

“We are thrilled when businesses think of new ways to help us,” said Jim Castleberry, Executive Director Cornerstone Rescue Mission.

About Cornerstone Rescue Mission

Cornerstone Rescue Mission is a privately funded, nondeminonational, 501(c)3 tax-exempt non-profit organization. More than 80% of their annual support comes from individual donors including local churches, businesses, civic organizations, foundations, and other organizations.

About Black Hills Surgical Hospital

Black Hills Surgical Hospital is South Dakota's premier surgical hospital offering in-house hospitalists, 3:1 patient to nurse ratio, low infection and complication rates, private suites, luxury accommodations, first class hospitality, and imaging services including 3T MRI and 64-Slice CT scanners. BSHS employs over 250 employees and performs numerous surgeries including orthopedic surgery, neurosurgery, general surgery, weight-loss surgery, gynecology, podiatry, urology, dermatology, ophthalmology, plastic and reconstructive surgery, dental/oral surgery, and single incision laparoscopy surgery.
